

# 2021 Lenten Reading & Devotional Plan

Hi JMBC Family! As we enter into the 2021 fasting season, we are excited for this period of fasting to grow closer to God. This year, we are inviting the JMBC body to join together for a church wide reading plan through Psalms 119 and the book of John. We will begin reading 8 verses daily of Psalms 119 in the New King James and Message Bible Translations and end reading 1-2 chapters per day in the Book of John. This reading plan will conclude on Resurrection Sunday.

As you prayerfully embrace this season, this document is designed to give you structure and encourage you to partner with other believers throughout the next 40 days beginning Wednesday, February 17, 2021. Find yourself a committed partner for this journey to study and prayer together, one who will be willing to share and keep you accountable over this time period. In this booklet, it allows you to collaborate and share personal reflections about the daily Bible passages.

This reading plan excludes Sundays in order to allow us to spend our time of prayer focused on praise and worship.

A meditational song for the day has also been included for each day of the journey.

**IMPORTANT NOTE FOR ALL:** To use this document for yourself within [Google Docs](#), select **File > Make a Copy**. This will create a copy of this template for you to use and share as you see fit.

Happy Fasting! Let us all strive for a strong passion to know God! (Philippians 3:10-11)
